MINUTES

The 178th annual session of the Pennsylvania Conference, Church of the United Brethren in Christ, opened at 1:30 P.M., Monday, August 22, 1966, at the Rhodes Grove Camp Grounds, R. R. # 6, Chambersburg, Pa. Throughout the afternoon and evening, and on Tuesday morning and afternoon, the pastors of the various fields and the unemployed ministers of the Conference met the Committee to Audit Pastor's Reports and Passbooks. During the auditing, informal prayer groups met.

TUESDAY EVENING

The opening session of the 178th session of the Pennsylvania Annual Conference was held at 7:30 P.M., August 23, 1966, at the Rhodes Grove Camp Grounds, R. R. # 6, Chambersburg, Pennsylvania. Rev. Wilber Sites, Jr., presided and offered the Call to Worship and the Invocation. Rev. Jacob Stover served as Song Leader and Rev. Burton Lange presided at the piano. The congregation sang "A Shelter in the Time of Storm," "I Love to Tell the Story," and "I Am Thine, O Lord."

Rev. Sites made the announcements and received the offering which amounted to $57.77. Rev. Arthur Pilgrim read Isaiah, chapter 54, as the Scripture Lesson. Rev. Leroy Perry led in the evening prayer.

A combined choir from the Heidlersburg-Idaville Circuit sang "Look and Live," and "I've Got a Glory." Rev. Jacob Stover announced the selections and Mrs. June Plank accompanied at the piano.

After the congregation sang "Amazing Grace," Bishop Clyde W. Meadows introduced the speaker of the evening, Mr. James Isaac, General Secretary of Christian Endeavor in India. Mr. Isaac brought greetings from the officers and members of Christian Endeavor in India. He stated that India's population is well over 400 million, but only 8 million even make a claim to be Christians. He pointed out that in Mark, chapter 5, the evil spirits said, "We are many," and this is the condition of the world today. Jesus Christ said, "I and the Father are one." This is how God would have the world to be. He stated, "We are gathered together to further the cause of Jesus Christ on this earth, and to be used by God to bring all men to the place where they are united in Him." He concluded his remarks with "Let us examine ourselves and consecrate ourselves anew to the calling of God. If we are one in Christ we shall go on in Him to victory, accomplishing what He has called us to do."

The congregation sang, "O Zion Haste."

Bishop Meadows called the Conference into official session. The recording secretary of the Conference, who was previously named by the Conference Council of Administration, Earl D. Peters, called the roll of the Conference. Thirty-seven ministers answered to their names. The name of Guy R. Baer was dropped from the Conference ministerial roll, due to his having united in membership with the Methodist Church. Nineteen Lay Delegates presented their credentials, answered to their names, and were officially seated.

On motion, Mr. W. Seibert Myers, first alternate from Macedonia Station, was seated as the delegate from that station.

Rev. Charles A. E. Saufley read the Report of the Committee on Standing Resolutions (Report No. 1). The report was amended by adding item 30, which reads "That the printed program be adopted as the official program of the Conference subject to necessary changes."

Motion prevailed that George Weaver be Assistant Chairman of the Conference.

Announcements were made.

Adjournment was by motion.

Dr. Elmer Becker, Chancellor of Huntington College, offered the closing prayer.

WEDNESDAY MORNING

The presiding officer, Bishop Clyde W. Meadows, called the Conference into session at 8:30 A.M., Wednesday, August 24. As the Secretary called the roll, 36 ministers and 20 Lay Delegates answered to their names.

Bishop Meadows led the Conference in singing "My Jesus, I Love Thee," and "Blest Be the Tie That Binds." Rev. Burton Lange was at the piano. Rev. Dale E. Kline led in the morning prayer. The Congregation sang "What a Friend We Have in Jesus."

Bishop Meadows read I John 4:12-21 as the Scripture Lesson, and chose verse 19 as his text. In his comments, he said that our love for God is the foundation of our relationship to Him. Unless we love God, we will not go forth in service for Him. To illustrate, he used the experiences of Peter as recorded in John 21:15-17, and referred to Job's love for God and the resultant service to Him. The Bishop further stated that love is the basis of the family relationship, the home relationship, and of our relationship to the Lord. When we look at Calvary's cross and the suffering and pain of Jesus Christ on that cross, we are reminded of the depth, breadth and height of the love of Christ. Love expresses itself in the utmost of loyal service, even through hardship and difficulties. It brings out the best that is in us.

Rev. Dale E. Kline assisted Bishop Meadows in conducting an inspiring and impressive communion service. To conclude the service, we sang the fourth verse of "Lead Me to Calvary," and Bishop Meadows pronounced a benediction.

Rev. Kirby Keller read the Report of the Committee to Read and Edit Minutes (Report No. 27a). The report was adopted on motion, thereby approving the minutes of the Tuesday Evening Session.

The Conference agreed to excuse Rev. Arbe J. Dorsey from the Wednesday Afternoon Session in order to conduct a funeral.

The following Lay Delegates presented their credentials and were seated: Joseph Updegrove—Devonshire Memorial Church; Louise Mort—Hagerstown Church; Mrs. Ethel Freise—Mongul-Lurgan Circuit; and Herbert Renner—Rohrersville Church.

By motion, Mrs. Emma Sachs was seated as the Lay Delegate from the Brooklyn Park Church. Mrs. Helen Watson was seated as the delegate from the Mt. Olivet (Adams County) Church, on motion.

The chairman appointed Rev. Dale E. Kline to oversee the courtesies of the Conference. The Conference agreed that the Messers Gordon McMordie, General Secretary of the Pennsylvania Christian Endeavor Union, and James Isaac, General Secretary of Christian Endeavor in India, be granted the courtesies of the Conference and seats within the bar.

Motion prevailed that all the guests who are granted the courtesies of the Conference, also be granted their meals at Conference expense.

The chairman appointed Mr. Troy Michael and Mr. Stanley Faught as official bell ringers for the Conference.

While the Assistant Chairman presided, Bishop Clyde W. Meadows read his report as Bishop of the East District of the Church of the United Brethren in Christ (Report No. 2). During the past year on the District, 4 men were received and licensed as Annual Conference Ministers, 6 ministers were ordained to the office of Elder, and there was a net gain of 166 in church membership. He also stated that the finances of the District were down from a year ago. The report was adopted on motion and the name of the Bishop passed the Conference both morally and officially, by a standing vote of the Conference.

Conference recessed for 15 minutes.

Rev. George Weaver, Senior Conference Superintendent and Superintendent of the North District, read his report (Report No. 3). By motion, his name passed the Conference both morally and officially, the report was adopted, and Conference concurred in the recommendations of the Cabinet

The Report of the Committee to Audit Pastor's Reports and Passbooks (Report No. 6) was read by Rev. Wilber Sites, Jr. Conference adopted the report and concurred in the recommendation.

Rev. Wilber Sites, Jr., read the Report of the Conference Board of Examiners (Report No. 7). The report was adopted and Conference concurred in the recommendation.

The itinerant list of the Conference was revised. By separate motions Rev. Clarence Cosey, Jr., Rev. Erma Funk, and Rev. John R. Heffner were granted location. Rev. Robert E. Hawk and Rev. James A. Snider expressed reservations.

Mr. Gordon McMordie, General Secretary of the Pennsylvania Christian Endeavor Union, was introduced by the presiding officer, and brought greetings to the Conference.

Rev. Paul B. Baker gave a verbal report for the Committee on the Superintendency of the Conference. By motion, the report was received and filed.

Mr. Ray Hikes presented his credentials and was seated as the Lay Delegate from the Strinestown-Mt. Washington Circuit.

By motion, Mrs. Helen Moser, first alternate from the Mt. Lena Church, was seated as the delegate.

The chairman introduced the speaker of the evening, Mr. B. McClain Cochran, Executive Secretary of the Pennsylvania State Sabbath School Association, who spoke on the subject, "The Importance of the Teaching Ministry of Jesus Christ." The speaker said that God loves men; He loves each one of us as an individual. It is important that each person has self-understanding and self-appreciation. As we teach children about the love of God for them, we should stress that they have a wonderful body and a wonderful mind as related to the greatness of God the Creator. As we teach young people about the love of God, we should be sure that our teaching is relevant to the world in which they live. In teaching adults about the love of God, we must stress the difference between childlikeness and childishness.

In addition to teaching that God loves us, we must teach people that God has a plan for each person's life. The spiritual must take precedence over the secular at all times. Seek the Kingdom of God first, and self last.

Finally, we must teach that all men have sinned and come short of the glory of God. Man needs a Saviour from himself. God has given that Saviour. He is Jesus Christ. Every man needs to accept Jesus Christ as his personal Saviour and Lord.

As the Hymn of Consecration, the congregation sang "Where He Leads Me I Will Follow."

The Benediction was pronounced by Rev. Walter Burkholder.

Keller read Habakkuk 2:1-4 as the Scripture Lesson, and led in the morning prayer. He then spoke on the responsibilities of the servant of God. The servant of God must, first of all, go to God to see what He has to say to men. The world has had enough of psychoanalysis; it is high time for us to determine from God what He has to say to us about ourselves and about all men. After asking God for His message, and seeking His message through His Written Word, the servant of God must take that message and make it live. People have had enough of theological lingo; they need the message of God delivered to them in the language of Main Street. Before he offered the prayer in conclusion, Rev. Keller said, "Might our words always be a demonstration of spirit and of power."

The Report of the Committee to Read and Edit the Minutes was read by Rev. Howard Yohe (Report No. 27b). The report was adopted by motion.

"Leaning on the Everlasting Arms," was then sung by the congregation.

Rev. Paul Baker introduced Dr. DeWitt Baker, President of Huntington College, who was the speaker of the evening.

Dr. Baker's subject was "The Charge That We Have Before God." The mission of the Church is missions, and one of the greatest mission fields in the whole world is on college campuses. There are now 20 million students enrolled in colleges in the United States. Of these only 20 thousand are enrolled in Evangelical colleges. This means that only 3 students out of every 1000 who are in college, or $\frac{3}{10}$ of 1% of those in college, are in Evangelical colleges. At Huntington College there is not an over-emphasis on the academic to the detriment of the spiritual; there is not just a balance between the spiritual and the scholarly, but the emphasis is on the spiritual above the scholarly. Huntington College combines saintliness with scholarship in the proper proportions. At Huntington College, teaching is looked upon as a calling from God.

Huntington College has four major needs: First, is the need of the prayers of all people. The next need is for students at the College to return to their home towns after their training is completed, to participate in their local churches. There is need for more United Brethren students at the College, and there is need for financial gifts from members and friends of the Church of the United Brethren in Christ.

At the conclusion of the message, we sang "A Charge To Keep I Have."

The service closed with prayer by Rev. Paul Baker.

FRIDAY MORNING

Bishop Clyde W. Meadows called the Conference into session at 8:30 A.M. The Secretary called the roll and 31 ministers and 22 Lay Delegates answered to their names.

Rev. Thomas S. Mellott, who was our morning devotional leader, led in singing "A Charge To Keep I Have." After he led us in the morning prayer, he read John 4:31-38 as the lesson from the Scriptures. In his remarks he stated that the reason for our existence as persons, and for our existence as churches, is to see persons born into the Kingdom of God. If we leave this Conference with our hearts aflame with love for God and for our fellowmen, much will be accomplished, and the Conference sessions will have been proven to be most profitable.

Rev. Mellott listed several aspects of the Christian life, and of our service to God. First, and foremost, we must be obedient to God's will, and His will alone. We are sent people; we are under orders from God, both the ministry and the laity. We must further realize that now is the time of the harvest, and that we all must be united in our efforts to bring honor and glory to God. In closing, the speaker led us in prayer.

The Bishop read the results of the elections which were held Thursday Afternoon. (See front pages of Minutes).

Rev. Kirby Keller read the report of the Committee to Read and Edit the Conference Minutes (Report No. 27). The report was adopted on motion.

The Bishop called for the Special Order of the Day, the consideration of the matter of the future of the Piney Mountain Home for the Aged.

Conference approved the following motion by a unanimous vote: "That the discussion on the question of relocating the Home for the Aged to be limited to 1½ hours, with speakers limited to five minutes; no person to speak more than once, until all who desire to do so have spoken once. No person shall speak more than twice, and his second discussion shall be limited to 2 minutes. The vote on the question shall be by written ballot."

It was moved that "The directors of the Milton Wright Home, Inc., be advised to continue the operation of the Piney Mountain Home at its present location for as long as it is financially feasible to do so under the requirements of the Departments of Health and Welfare and Labor and Industry of the Commonwealth of Pennsylvania. Further, that the directors be advised to act promptly to correct any existing conditions that are not in compliance with State requirements, so as to insure the continued operation of the Home and to project a proper concern and witness to public officials.

"Further, that at such time as it is no longer financially feasible to continue operations in the present facilities, the Directors be advised to prepare for an orderly closing of the Home."

While the motion was under discussion, Conference recessed for 15 minutes. Following the recess, additional discussion on the motion was pursued. We must break down the walls which are between people. We need to break down the walls which separate races, and the walls which separate people who are not in the church from people who are in the church. There are many walls; some of them are: hate, suspicion, greed, prejudice, and misunderstanding. We must surrender ourselves to Jesus. We must meet God. BISHOP'S REPORT OF THE EAST DISTRICT

April 1, 1965 to March 31, 1966

REPORT NO. 2

Christian greetings in the name of the Lord Jesus Christ.

Quickly another year of the new Quadrennium has gone. We are reminded of the words of Jesus, "I must work the works of Him that sent me, while it is day, for the night cometh when no man can work." (John 9:4). It is good to be able to report that the theme for the Church in this Quadrennium — "Christ Calls—Advance" — has been taken seriously and the conferences are seeking to put into practice various phases of the program — prayer cells, growth by groups, lay visitation, conversational prayer, and many other evangelical emphases. This theme has "caught on" in a way that surpasses anything I have seen heretofore. It is to be hoped that this will be reflected in the reports that come up to the annual conferences this year.

THE MINISTRY

All the well-designed plans and carefully administered programs will fall flat without ministers who are well-qualified for their task and driven by a real passion borne out of a Spirit-filled life. The work of the Lord succeeds or fails largely on the basis of the quality of its ministers. "Pray ye, therefore, the Lord of the Harvest that He will send forth laborers into His harvest." (Matthew 9:37). In this year, four have been received into the annual conference ministry. Six were ordained and one was received as an ordained elder into the Sandusky Conference from the Nazarene Church. Eight ministers who had retired from active

itinerant duty were given special recognition and retirements pins in very impressive services.

SERVICES RENDERED

As Bishop, I delivered 201 sermons and addresses in this year, and as President of the World's Christian Endeavor Union 227 messages, for a total of 428 sermons and addresses during the year, and traveled 57,637 miles. There were many board and committee meetings in Huntington as follow-up of the General Conference in the year and five mid-year conference councils. The conferences in Sierra Leone, West Africa and Hong Kong were held by Rev. Emmett Cox and Rev. Duane Reahm, respectively. The work they did and the reports sent in are greatly appreciated.

It was my privilege this year to share in eight revivals. Through the year in the various meetings we rejoiced that the Lord was present and there were 706 commitments to Christ, of which 547 took place at the Dallas Christian Endeavor Convention.

Special services were held in connection with building programs in eleven different locations.

SOME COMPARISONS

A statistical chart is available with this report that is a detailed report of the various conferences for this year. However, there are a few figures that should be noted and compared with last year. There was a significant gain of church membership on the district of 166. North Ohio, 28; Michigan, —18; Ontario, 78; Pennsylvania, 98; Sandusky, —20. The total membership for the district is 14,192. There were 1470 commitments to Christ, for which we praise the Lord. It is a bit disturbing to note how many items are down from that of last year, particularly in the field of finance; because this is a rising economy in which we are working now and financial figure naturally would be higher, even if we did no more than we actually did in other years. The Sunday School enrollment is 22,718, up 297. Sunday School average attendance, 15,2100, down 100. Sunday morning average attendance in church, 12,864, up 19. Evening church average attendance, 6,854, down 143. Prayer meeting average attendance is 3,059, down 114. Christian Endeavor attendance is 2,433, down 140.

The finances are as follows: Local Budget total $1,446,083.44, down $93,013.27; Conference Budget $94,069.35, down $275.89; General Benevolence $68,992.31, down $392.02; General Specials $128,852.58, up $10,118.82; Brotherhood $10,527.34, down $270.09; WMA $88,649.02, up $1,127.96; for a grand total for all purposes of money raised and spent $1,837,174.04, down $82,655.49.

One outstanding tour was in connection with the 72nd Annual Convention of The Jamaica Christian Endeavor Union in Kingston, Jamaica, August 16-18. I was in the Island just one week, August 14-22, 1965. Attendance in the convention, held in the Queen Street Baptist Church, Kingston, ranged up to 800. His Excellency, the Governor-General, Sir Clifford Campbell, KCMG, shared in the convention.

We feel that by sharing in this convention, along with many of the ministers of our conference in Jamaica, that we were able to bring the United Brethren Church to recognition by not only the other churches, but leaders of the Island. In connection with the convention, I had the opportunity of working together with Rev. Jerry Datema, the Superintendent, and visited 10 of the churches and held the mid-year conference council. A report of this tour in detail and recommendations were brought back to the General Board of Missions. Of course, in this tour, all expenses were cared for by the Christian Endeavor Union.

DAYTONA BEACH UNITED BRETHREN CHURCH

This church, located in Holly Hill, Florida, started with its first meeting under the leadership of Rev. Virgil Hull, March 11, 1964, and organized

as a group March 29, 1964. They first met in a civic center that seated about 50 people, later moved to another building that seated about 100. I had the privilege of visiting them over July 4th of 1964 at the recommendation of the General Board of Administration. On February 13, 1966, I held a service of dedication for their new sanctuary and educational building. The church is located at 560 Flomich at Center, Holly Hill, Florida. The lot is 285 feet by 300 feet, a bit over two acres of ground. There are three streets that touch on this property — Flomich, Center and Decatur Streets. The church is 42 by 87; the ell which is used as an educational building is 36 by 80; the proposed sanctuary will complete the "U" when they're able to go ahead with this project.

The property cost $115,000, in which the General Church has invested $10,000. The local congregation has a bonded indebtedness of $80,000, but the financing is in good shape. They have had 163 conversions since they started. The membership is 83 with a class of 20 adults getting ready for church membership. Nine were baptized on February 20 and during the week that I was there, there were 13 conversions. They have an active lay visitation program that is bringing in new people week by week. The church seats about 300. There are classrooms and an assembly room in the educational wing, and a very well-equipped nursery; an organ and pastor's study on one side of the platform at the front; a baptistry back of the platform, nicely worked into the architecture, and a choir meeting room on the other side of the front.

The leaders of the church assured me they would be willing, within the year, to turn back to the General Church the $10,000 that we have invested if we wanted to use it in starting another church in the general area. According to the population studies made concerning Florida, this state is growing at a very rapid rate in population. In 1960 they had 4.9 million people. Last year they had 5.8 million, and they expect to have from 9 to 11 million people in the next 15 to 20 years, according to the present trends. Our church would do well to consider placing another church in South Daytona and a third one in Orlando. While I was in the area I took the time to visit several prospective locations and these are the most promising.

A personal word, it has been a joy and a privilege to work with my colleague, Bishop Robert W. Rash, during this year. We have had several formal Bishops' meetings and many informal conversations concerning the work. He has always been most helpful and cordial in the many problems that we had to face on behalf of the Church as a Board of Bishops. We are thankful to God for all of the church leaders at Headquarters who have been very cooperative in all of the various fields of service, and the multitudes of faithful ministers and lay people throughout the length and breadth of our Zion.

Very sincerely,

CLYDE W. MEADOWS

CONFERENCE SUPERINTENDENT'S REPORT OF THE NORTH DISTRICT

REPORT NO. 3

To Bishop Clyde W. Meadows, members, delegates and friends of the 178th annual session of the Pennsylvania Conference of the Church of the United Brethren in Christ, "Grace unto you and peace, from God our Father and the Lord Jesus Christ . . . your faith growth exceedingly, and the charity of every one of you all toward each other aboundeth; . . . Wherefore also we pray always for you, that our God would count you worthy of this calling, and fulfill all the good pleasure of his goodness, and the work of faith with power: That the name of our Lord Jesus Christ may be glorified in you, and ye in Him, according to the grace of our God and the Lord Jesus Christ."

Within the sessions of this annual meeting we will consider a variety of matters. Some will be of greater importance to some of us than others, but each will be worthy of our prayerful concern and action. Let us pray that the God of all wisdom will so direct by the unction of the Holy Spirit that we may in all our ways acknowledge Him and do His perfect will.

Above all, may we not lose sight of the "first order of the day" for the church — that of evangelizing the world. Today's world challenges the church to validate its purposes and methods. Some assert that the church has outlived its usefulness and is not relevant to man's modern predicament. Others conclude that God is dead and that the church is only His tombstone and that we will soon pass from the scene; and still others contend that an entertainment group is more widely known and of greater cultural importance and impact than Jesus Christ.

Such a world breeds war and rumors of war and is filled with all unrighteousness; it changes the truth of God into a lie and worships the secular rather than the Creator. But this is not the time for the church to lose heart nor vision of its purpose. All the resources of God are yet available to us for the evangelization of the world. The task is not too great nor are the obstacles too numerous. We are not too weak to bring about a pronounced change even in the face of overwhelming odds. We have the same God, the same Risen Lord, the same Gospel and the same Holy Spirit as that which moved the small minority of Pentecost out into the world to turn it upside down.

But the world will not be turned down nor inside out toward confession and repentance by new programs of human endeavor. The church will be relevant and alive only in the measure in which it fulfills its Christ ordained purpose of person-to-person communication of the good news of the gospel.

The responsibility for evangelism is not the responsibility of a professional minority — it is the privilege and responsibility of the total body of Christ. The world's judgment of the church is occasioned by this very fact — by and large the church as individuals has lost its fervor for soul-winning in a person-to-person witness. It is the renewal of the New Testament sense of urgency for sharing the joy of salvation in Jesus Christ which we need to seek as a conference.

We are grateful for the emphasis being made in this direction by the general church within the quadrennial theme "Christ Calls, Advance!" Preliminary plans are now being made for seminars to be conducted within the Conference in which a technique for personal witnessing will be shared. It is hoped that this emphasis will be thoroughly undergirded by the institution of prayer cells within the various congregations.

God grant that this emphasis and these plans do not become a program but that they may be a burning zeal and a way of life for committed churchmen.

CONFERENCE OBSERVATIONS

It is difficult to measure objectively the growth of the church. Certainly there is no one yardstick by which to judge the spiritual growth of the Body of Christ. However, there are certain areas of concern which we feel indicate the progress of the Conference.

One of these is the number of conversions and persons reclaimed each year. This past year 506 such decisions for Christ were recorded, which is an increase of 88 over the previous year. But there were 58 fewer baptisms recorded for the year, with a total of 146 persons receiving this Christian ordinance.

Another indication is in the number of adults and youth uniting with the church in membership. This past year 237 adults and 108 youth were received. This is a decrease of 106 adults and an increase of 25 youth. The total adult membership shows a decided decrease with 39 fewer adult members than a year ago, with a total of 6,816. However, there is an increase of 71 in the youth membership, with a total of 406.

There are other areas of concern which show a decline for the year. The Sunday School enrollment of 8,532 is 179 less than last year and the average attendance of 5,882 is 106 less. The attendance in the morning service totaled 4,430 for an increase of 68 and the evening attendance is the same as for last year, 2,131.

As a whole, the financial report indicates a commendable spirit of stewardship. The local budget total is $441,803; the Conference budget is $43,275; the general budget is $38,640; $46,720 was given for general special interests; and the total of all finances was $609,359. It must be noted that the Conference, general budget and the patron's fund are not in full.

By these standards of measurement we are rightly concerned for the churches of the Conference. Several reported no conversions and no baptisms for the year. Such a church is not a growing church. May God give us a spirit of prayerful concern.

THE MINISTRY

All fields were filled at the last annual Conference and all pastors accepted the works to which they were assigned. They have faithfully labored in the work of the ministry.

Early in the conference year, Brother Clarency Cosey resigned as pastor of the Franklintown-South Mountain Union Circuit. Brother Floyd Rice supplied the field until the appointment of Brother Thomas Mellott, who completed the year.

During the year the pastorate of the Mongul-Lurgan Circuit was declared vacant due to the illness of Brother Brant, and Brother Kirby Keller was appointed to fill the vacancy.

On June 9, 1966, the local conference of the Shippensburg Church voted unanimously to recommend Roy B. Crider to the annual Conference for license to preach the gospel and his name is hereby **recommended** for referral to the Board of Examiners.

CHURCH PROPERTY

All church buildings and parsonages on the district are in good repair and the following items reflect a continuing emphasis on improvement and enlargement of church and educational facilities:

The Cold Springs Church painted the exterior of the church at a cost of $390.00 and a Bible stand and Bible for the communion table were provided at a cost of $100.00.

Devonshire added new furnishings costing $620.00 and made parsonage improvements of new cabinets and painting which totaled $847.00.

The Franklintown Church has engaged an architect and is planning for the building of new educational facilities possibly this next year. The amount of the building fund on hand is $2,485.00.

The Franklintown-South Mountain Union Circuit did interior painting in the parsonage which cost $187.00.

On the Heidlersburg-Idaville Circuit, the share of the parsonage owned by the **Mt. Olivet Church** was purchased for $2,800.00.

The new **Idaville Church** building is nearing completion with dedication services scheduled for October 23. The estimated cost is $75,000 with an additional estimated $25,000 in labor performed by men of the congregation, bringing the total value of the church to about $100,000.

The **Lurgan Church** improved the parking lot at a cost of $245.00 and paid $2,000 on the mortgage.

The parsonage of the **Mongul-Lurgan Circuit** was papered at a cost of $135.00.

The new church building at **Mainsville** is under construction with the basement walls up. The estimated cost of the building is $50,000 with $14,000 having been invested thus far.

Mt. Pleasant paid $13,250 on their mortgage and made church improvements which cost $134.00.

The **Orrstown Church** spent $45.00 on improvements and has $1,834.00 on hand for the future purchase of carpeting and an additional $4,500 in the building fund.

Improvements to the church and parsonage of the **Prince Street Church** totaled $7,696 for the following: the purchase of an adjacent lot 50' x 150' for additional parking facilities; the installation of tile on the basement floors of the educational building; black top on the parking lot; purchase of organ chimes, a folding machine and cabinet for the church office and painting in the parsonage. A total of $21,120 was paid on the mortgage principal and interest.

The **Strinestown Church** paid $553.00 for the drilling of a new well; installed new lights at a cost of $270.00; purchased a piano for the sanctuary for $695.00 and painted the exterior woodwork of the church.

The parking lot of the **Mt. Washington Church** was graded and surfaced at a cost of $1,994.00. Painting was done in the children's and youth departments of the Sunday School at a cost of $115.00.

The circuit parsonage was improved by the installation of new cellar doors at a cost of $194.00.

PERSONAL SERVICES

The scope of the work of the superintendency is reflected by the following activities:

Local conferences conducted, 29 and 3 special sessions of local conferences on the other districts were attended; the cabinet of superintendents met 12 times; conducted the sessions of the Council of Administration; made 52 business calls in the interest of conference business; made 65 visits to pastors or their families due to illness or other counseling situations; participated in 20 other committee meetings; met with the Milton Wright Home Board in regular and special sessions 10 times; participated in the following special services: ground-breaking service at Idaville, September 12, 1965; the dedication of the Salem parsonage, November 28, 1965; the Cornerstone Laying service at Idaville, April 24, 1966; the dedication of furnishings at Blue Rock on June 19, 1966; attended the Note-Burning service at Rohrersville, May 1, 1966; and participated in the sessions of the General Board of Higher Christian Education, the Board of Trustees of Huntington College and the General Board of Administration.

APPRECIATION

The work of the superintendency has been a privilege and a joy for which I give thanks to our Lord. A rich fellowship has existed between the cabinet of superintendents and I am greatly indebted to brothers Miller and Sites for their cooperative assistance. This sense of indebtedness also extends to the pastors and churches of the district.

May the Lord of all love and grace possess us all and use us as His chosen vessels of reconciliation to the glory of God and in the salvation of men.

RECOMMENDATIONS

The Cabinet of Superintendents submit the following **recommendations:**

1. That the net proceeds from the sale of the Bowleys Lane property become a part of the Conference Missions and Church Extension funds of the Conference and be invested under the direction of the Council of Administration in a new extension project within this next conference year if at all possible.
2. That the Constitution of the Preachers' Beneficiary Association be so amended as to provide for the continuation of payment for the present Presbyterian Life Insurance program for those ineligible for the new

retirement program and the establishment of a trust fund as may be directed by the Conference Council for such program.

Respectfully submitted,

GEORGE E. WEAVER

CONFERENCE SUPERINTENDENT'S REPORT OF THE CENTRAL DISTRICT

REPORT NO. 4

Bishop Clyde W. Meadows, ministerial and lay delegates, and visiting friends of the 178th session of the Pennsylvania Conference, Church of the United Brethren in Christ, greetings in the name of our Lord. It is in the wonderful name of our wonderful Lord that we come to you with this report.

With deep gratitude to Almighty God for continued blessings during the year; with gratitude for His presence with us now; and with gratitude for His promise of continued blessing; we bring to you our report covering some of the many activities of the past year. We wish also to share with you some of our thoughts regarding our responsibility as Christians and as members of the United Brethren Church.

We are aware of the fact that we are living in a changing world. In this changing world, we face a tremendous responsibility of leading men and women, boys and girls, to a place of receiving Christ as Saviour; to a place where they will gladly do God's will; to a place where they will allow Christ to live His life through them and thus accomplish His purposes. Great progress has been made toward this goal and we are grateful for the progress during this past year as ministers and lay people have worked together to accomplish the task. But in spite of our progress, the need is greater than ever before and these days are more challenging. May we prayerfully go forth to meet the challenge in our day.

In a very real sense, we, the members of this Annual Conference, face the task and responsibility of giving leadership to over 7,000 Christians related to 40 Churches of this Conference. May we continue in the sessions of this Conference in a very prayerful attitude, seeking to know more fully God's will in the matters before us.

THE MINISTRY

We commend the ministers on their service "for Christ and the Church." We believe, according to the reports received during the year, that there will be a decided increase in number of visits, number of sermons preached, etc. The men on the district accepted the pastorates assigned to them at the last Annual Conference, and have served throughout the year.

Rev. Guy R. Baer served as assistant pastor at the King Street Church until April 1, 1966, at which time he resigned to become the Minister of Education in the Chambersburg Methodist Church. The King Street Church Board of Administration employed Rev. Howard Cherry to serve as their assistant pastor beginning July 1, 1966.

We are most happy to report that Local Conference licenses were granted to two men during the year. The first was to J. Herman Fisler, of the King Street Church, on January 2, 1966, and the second was to Alan Conrad Harrell, of the Otterbein Church, Greencastle, on March 7, 1966. It is certainly interesting to note that both of these young men have already begun their training at Huntington College. We are grateful for this and we trust that the Conference will pray for these men and for others who will be willing to answer this high calling.

A note of sadness enters this report also as we remember the passing of Mrs. Jennie May Weidner, wife of Rev. Ira C. Weidner, on February 19, 1966. Funeral services were conducted in the Otterbein Church of

Greencastle, February 22, 1966, by her pastor, Rev. Arbe J. Dorsey. Rev. C. Ray Miller and Rev. John H. Roland assisted in this service. Burial was in Beautiful View Cemetery, State Line. May God continue to bless and comfort her husband and family! Her name will be referred to the Committee on Memoirs.

The total cost of these projects amounted to $1,394.61 and has been shared by the two churches. Greencastle—The Otterbein Church reports $15,908.00 in the building fund. An archiect has been employed and the church is now in the process of planning for the construction of a new building. The parsonage has been improved by painting and papering at a cost of $726.67. Choir robes, valued at $450.00, have been provided for the church choir.

Macedonia—An amount of $1,350.00 was paid on the principal during the year, leaving a total indebtedness of only $2,150.00.

Salem—A new parsonage was constructed and dedicated. Total cost of the project was $30,848.16, including the contract price of $23,500.00; the lot at $2,500.00; an extra lot at $2,000.00, giving a total of 200 feet frontage with a depth of 176 feet; fuel tank, drapes, fireplace and intercom system at a combined cost of $799.00; and office equipment amounting to $1,028.10. The parsonage is a seven-room hourse (80′ x 44′).

Waynesboro—This church paid $9,155.00 on indebtedness, thus completing mortgage payments on present property. The congregation conducted a mortgage-burning service on January 22, 1966. Plans are now being made for a new sanctuary and for the renovation of the educational building.

CAMPS

The Rhodes Grove Camp program got underway Sunday, July 10th, and continued through Sunday, July 31st, with a very fine spirit prevailing.

Junior Camp was held July 10-16 with 147 children registered and with Rev. Earl D. Peters serving at director of the camp. There were four classes taught by ministers and lay persons during the week. Rev. Burton Lange served as spiritual leader, speaking each morning during the Chapel service and each evening during the regular service. There were many decisions for Christ made during this Camp.

Youth Camp was held July 17-23 with Rev. Ray A. Seilhamer directing the camp with 86 youth registered. Rev. Carlson Becker served as spiritual advisor, bringing the messages to the youth each day and each evening. There were many conversions, some re-consecrations, and some who dedicated their lives for Special Service. La Doyt Rodeheaver and Roger Skinner, representing Huntington College, assisted in the camp program. Total registration at the two camps was considerably higher than in past years. There is a possibility that in order to accommodate this increasing number of children and youth, it will have to be expanded to a three-week program for children and youth.

Adult Camp was held July 23-31 with Rev. Charles Hirschy, of Dayton, Ohio, serving as the evangelist. His messages were appreciated very much and the attendance and offerings showed a marked increase. Dr. C. E. Carlson taught a course on "Christian Stewardship" and brought the Chapel messages each morning. Dr. J. Ralph Pfister taught a course on "The Person and the Work of the Holy Spirit."

Rev. Wilbur L. Sites, Jr., served as platform manager. Rev. Lester Misner brought the message at the baptismal service Saturday, July 30. There were 7 persons baptized.

Rev. George E. Weaver brought the message and directed the service at the annual communion service on the closing day of camp.

The musical team was composed of W. Harry Forbes, song leader; Mrs. Burnell Manchey, organist; and Sue Ellen Manchey, pianist.

PERSONAL SERVICES

I have conducted all the local conferences on the district at the close of the first and third quarters in addition to a few special sessions during the year. I have attended the various meetings of the Superintendents, of the Conference Council, and of other Committees. I attended the meeting of the General Board in Huntington in May and the meetings of the General Mission Board and of the Executive Committee of the Board. I shared in the Camp activities, in the meetings of the Home Board, and in other special services within the Conference, including Ground-Breaking at Idaville, September 12, 1965; Salem Parsonage Dedication, November 28, 1965; Cornerstone-Laying at Idaville, April 24, 1966; and the service at Blue Rock on June 19, 1965, which was an Anniversary Service, and the Dedication of Church furniture.

CONCLUSION

It has been a privilege to serve in this capacity. We are well aware of our shortcomings, but we thank you for your patience and for your kind assistance. It has been a privilege also to serve with Brother Weaver and Brother Sites. We have appreciated the fellowship which we experienced during the year. May the Lord guide us through the sessions of this Annual Conference and then through the coming year.

May grace, mercy, and peace be with you all. Amen.

Respectfully submitted,

C. RAY MILLER

CONFERENCE SUPERINTENDENT'S REPORT OF THE SOUTH DISTRICT

REPORT NO. 5

Bishop Clyde W. Meadows, D.D., Ministerial Brethren, lay delegates, and visiting friends of this 178th Session of the Pennsylvania Conference, Church of the United Brethren in Christ. Greetings to you in the precious name of Jesus Christ, our Lord and Saviour, who loved us and gave Himself for us.

God in His abundant mercy has granted us another opportunity to come together into this annual session. Each year we look forward with eager anticipation to these times of fellowship with God, and our brethren. God has been so precious to us in this past year. We entered the year with a realization that in our own strength we could do nothing, but confident that we could do all things through Christ which strengthens us.

New experiences faced us as we assumed the responsibilities of a Conference Superintendent. It did not take long for us to realize that the task was far greater than we had assumed. We have benefited greatly in working together this past year with our Bishop and with the other superintendents, Rev. George E. Weaver and Rev. C. Ray Miller. We wish to express our heartfelt thanks to these men who have offered assistance during the year.

THE MINISTRY

Two of the churches of the South District were left to be supplied at the time of the annual conference in 1965. Solomon's Chapel and the Mt. Tabor churches were not assigned pastors.

Solomon's Chapel conducted only Sunday School again this year with the exception of several times when they secured the services of a pastor to conduct a worship service.

Sister Erma Funk agreed to go to the Mt. Tabor Church to supply for two months. Mr. Glen Perry served for a month by going on alternate Sundays. In February, Brother Floyd Rice consented to go to Mt. Tabor and he has assumed the role of pastor at that church. We wish to express our appreciation to those who have helped in these areas. Otherwise all of those assigned at Conference time have taken charge of their respective pastorates and assumed the various duties required of them.

PERSONAL SERVICES

God has been gracious to me this year in supplying the health and strength needed to fulfill the various responsibilities which were assigned to me. I conducted all of the first and third round of conferences as well as holding several other special called sessions of Local Conference. I attended all of the Conference Council meetings but one, and the meetings of the Cabinet of Superintendents, as well as other committee meetings. I attended the General Board of Administration meeting held in Huntington during May, as well as the General Board of Publications meeting. I attended several other special services in the Conference.

Trinity, State Line—Parsonage improvements in the amount of $1,200.00. Razed the old building on the lots which were purchased last year.

SPECIAL ITEMS

In keeping with the action of the Conference Council of Administration a sales agreement for the purchase of the Bowley's Lane Church was entered into with the Maranatha Pentecostal Assembly Congregation of Baltimore in the amount of $39,600.00. A signed agreement is in our possession as well as the down payment of $1,000.00.

On August 2, 1966, in a special local conference of the Bowley's Lane Church the Trustees of the church were authorized to enter into an agreement with a realtor to sell the parsonage at 4837 Claybury Avenue. They were further authorized to transfer the deed to the purchaser.

CONCLUSION

God has been good unto us in giving His spirit to guide us in the activities of another year. We could rest on our laurels, but we challenge you to press forward to the prize of the high-calling of God in Christ Jesus.

Respectfully submitted,

WILBER L. SITES, JR.

REPORT OF THE COMMITTEE ON AUDITING PASTOR'S REPORTS AND PASSBOOKS

REPORT NO. 6

We, your Committee on Auditing Pastor's Reports and Passbooks, submit the following:

All reports submitted to the committee were examined and checked as to accuracy and completeness. Conference and General financial items were checked with the record of the Conference Treasurer and necessary corrections were made.

Passbooks were examined as to membership rolls, organization of classes, United Brethren Subscription lists, and other required records.

Questionnaires indicated that the pastors were faithful in meeting the requirements of discipline and presenting the program of the General Church.

We **recommend** that all Annual Conference ministers and assistant ministers serving churches in Pennsylvania Conference be passed morally and officially and that the work of the Local Conference ministers with pastorates be approved.

The following unassigned ministers reported in person: Reverends Erma L. Funk, J. Raymond Brant, Ira Weidner, John Roland, and Charles Barnhart, and these reported their activities by letter, namely: John R. Heffner, A. E. Martin, Clarence Cosey, Jr. Robert Myers, J. H. Bender, Earl W. Shoap, Ruth Saufley, Ira Perry, James H. Hester, Jr., and Galen Colclessor.

We **recommend** that the unassigned ministers be passed morally and officially.

We further **recommend** that the work of the Auditing Committee be considered sufficiently complete so as to eliminate further examination of minister's character and pastor's reports on the Conference floor.

Respectfully submitted,

CLYDE W. MEADOWS
GEORGE E. WEAVER
C. RAY MILLER
WILBER L. SITES, JR.

REPORT OF THE SECRETARY OF EDUCATION

REPORT NO. 11

The 18th century was known as a period of enlightenment. Scientific investigation was beginning to make inroads into many fields. Old European universities turned from the traditional medieval methods to the current new trends. History, natural science, medicine, political science and literature were some of the areas greatly affected by this change.

Today, in the late 20th century, another period of enlightenment has swept our world. This century has produced more advancement in educational and scientific fields than ever before witnessed in such a few years. One of the greatest sources for these tremendous gains has been our higher education institutions. Colleges and universities have expanded to more than triple their pre-war enrollment. New courses have been added to the curriculum which were unheard of previously, such as space studies and thermonuclear dynamics.

With all the educational opportunities available to our youth, the Christian Church must realize its role of imparting a Christian perspective to every area of study, both secular and religious. As a church we should recognize the importance which our Huntington College plays in the higher educational opportunities for United Brethren students. We are pleased to report that Pennsylvania has been making a significant contribution to the student body, both in number and quality of youth. May our college continue to provide Christian training for the students of our denomination.

A new building which will be a valuable facility to the campus is just completed, a women's dormitory, which will cost about $550,000. A Student Union Building is planned for construction, which will cost about $525,000. This project will be self-liquidating.

The prospects for 1966-1967 look promising. We hope an increase in student enrollment will be realized. With additions to the faculty and new physical facilities, it should be a great year for Huntington College. We trust that the Seminary will also make gains.

Dr. Baker has piloted the ship of education well his first year at the helm, and our prayers are that this year may bring even greater accomplishments to our college.

It has been my privilege to serve on the College-Church Cooperation Committee this year. As your secretary, we helped arrange for Mr. Robert Myers to tour the Conference last fall to recruit students for the college. During National Christian College Week in April the seminary staff and students visited our Conference on behalf of the college and seminary. Many fine reports came to our attention praising the fine work that this group did in our Conference.

Pray for and support our college and seminary.

JACOB F. STOVER

REPORT FOR PINEY MOUNTAIN HOME FOR THE AGED

REPORT NO. 13

To Bishop Clyde W. Meadows, members and frietnds of the 178th Session of the Pennsylvania Annual Conference.

Greetings to you from Piney Mountain Home for the Aged, in the name of our Blessed Saviour, Jesus Christ.

At present, there are 44 residents in the Home, of which 33 are women and 11 are men. We have as guests, 12 United Brethren who are members of the Pennsylvania Conference. The capacity of the Home is 47. During the past year, 10 of our residents passed to their Eternal Reward. Most of our residents are between 75 and 96 years old, and are in good health, considering their ages. Our oldest member is Mrs. Addie Spangler, who will be 96 in October. Some of the ladies are still kept busy making things to sell.

Due to the demands of the Welfare Department of Pennsylvania, we are not allowed to keep non-ambulatory persons in the Home. When any of our guests become non-ambulatory, they must be taken to a nursing home. This is hard for the person who must leave, and also hard for the ones who remain here in the Home.

The staff of the Home consists of 17 employees who are devoted to the personal needs of the guests. The staff is as follows: a Superintendent, a Matron, a cleaning lady, a wash woman, four kitchen workers, one dining room worker, and eight on the nursing staff. One of the eight is a Licensed Practical Nurse. The nursing staff provides 24-hour service, and each person is authorized to consult the doctor whenever, in their judgment, such consultation is necessary. We appreciate the services of Dr. Robert Thompson of Fayetteville, who has the medical responsibility of most of the residents in the Home. He makes calls when he is needed. When Dr. Thompson is unable to come to the Home, Dr. Sowers cares for the guests.

We want to thank the Good Will ambulance of Chambersburg for their prompt services when our guests need transportation either to or from the Chambersburg Hospital.

We are indebted to Rev. Ira Perry who conducts worship services in the Home each Sunday morning. As Chaplain, he visits our guests who are patients in the Hospital, We held six nights of Pre-Easter Services and two Communion Services. The average attendance for all the services is 35.

We thank the churches and the other groups who journey to the Home with programs. Many thanks also for the gifts and donations.

Thanks to the Home Auxiliary for the many things they buy for the Home.

We invite you to come to visit us in the Home at any time. The guests are always glad for visitors.

MILTON WRIGHT MEMORIAL HOME FOR CHILDREN

REPORT NO. 14

To Bishop Clyde W. Meadows, Ministers, Delegates, and friends of this One Hundred and Seventy-Eighth Annual Session of Pennsylvania Conference of the United Brethren in Christ Church, greetings in the name of our Lord and Saviour, Jesus Christ, from your Children's Home.

Jesus has taught us that children are a precious gem and it is our duty to guide them through the early years into mature adulthood.

Your Children's Home has become an evaluation and training center for those whose home life has been interrupted by poverty, violence, and selfish parents. In this day, the loss of a parent in a well-established normal home does not mean that the children have to come to a Home such as this. Our roll in the community is to be ready to receive children who have to be removed from their homes for a period of time. The Home trains the child through normal routine, a kind helping hand from the staff, good shelter, a sense of being part of a large family and to love one another. The children are encouraged to participate in church, school, scouting, and community activities, which are not centered in the home. Daily devotions are the start of each day in their lives. Next is their daily chores, this being changed each month to train them in all steps of good housekeeping. Cleanliness is one of the hardest things for them to practice when they first come to the Home, but this gradually changes as time progresses. An average stay for a child in the Home is about two years. During this time the parents are receiving help from the case worker who also visits the children to observe their progress here. The plan of re-uniting the home is established and is presented to both children and parents. All seem to want to work together that his goal can be reached. It is a happy day when children and parents can be re-united again. Just yesterday on a visit to a home where the children were returned a month ago, the father was so pleased that the children did not tell him to shut-up but now are willing to obey. The difference in that home of last year and this year can be seen in the way these parents are conducting themselves, too.

At the present time there are 23 children in the Home, with a staff of 12. This number will probably be increased to 40 within a few weeks. Nineteen children have gone out from the Home since June, three of them by graduation and the other 16 to return to their homes again. It is also noted that most of the children are continuing to attend Sunday School and Church after their departure and encouraging their parents to do this also. Psychiatric service is being provided on a weekly basis by Dr. Joseph Norris of Brook Lane Psychiatric Center. Each child has been evaluated and those needing his services are provided weekly treatment. Case work is being done by the sponsoring agency at the present time. The Home Board has made provisions that when a case worker can be found this too will be done by the Home.

It is a great satisfaction to know that many families have been brought together by the efforts of this Home these past few months. Please pray for their continuing this way.

PHYSICAL PLANT

Continuous repairs and replacement of building and equipment are carried out through approval of the Board. Most rooms have been repainted and new floor covering laid. Our goal will now be to replace bedroom furniture and dressers. Replacement of the pump in the water system was done in recent weeks. A more even pressure is noted. The sewer system at the present time is giving satisfactory service. Replacement of the heating system to oil has been under consideration but will not be done until next year. Approved blue prints must be submitted before this can be done and could not be completed before the heating season begins. An emergency lighting system has been installed to conform with department requirements. The building is now in good condition. Many items of furniture were either added or replaced by the Ladies Auxiliary, to add to the comforts of the Home.

Dry weather has plagued the operation of the farm the past few years. Good grain crops were noted, however, with the harvesting of 900 bushels of barley and 320 bushels of wheat. Most of these will be used in the preparation of dairy and poultry feed. Milk production is the main source of revenue. Ten gallons of milk have been the average daily consumption in this Home. Surplus milk has provided about $500 per month income. Corn, which is the main crop for livestock will be about ⅓ this year. The vegetable garden has not produced much this year. It looks, at present, like many things raised in previous years will have to be purchased.

CONCLUSION

Much credit for the success of this Home goes to you who have given of time and finances. It is ony through your continued support that a good program can be continued. The Board of Directors has a task of supervising the Home and receives no financial remuneration for any meeting they attend. Rev. Arbe J. Dorsey, our Chaplain, has always been willing to come when called. He has conducted a program of training for the children the past winter and spring.

The Home will lose the services of Mrs. Reeves as matron the first of September, for health reasons. She will be greatly missed by the children and staff. Mrs. Gail Karle wil be taking her place. Mrs. Karle has been in the Home the past three months as assistant matron and will be able to serve well. She has had previous experience at Scotland School for Veterans' Children.

We ask you to pray for the children and staff as they work together in love that just through this little part they may be developing a better relationship to go out and be better Christian citizens. Please come to visit the Home.

Respectfully submitted,

RICHARD W. REEVES,
Superintendent

REPORT OF THE SECRETARY OF CHRISTIAN EDUCATION

REPORT NO. 15

The command of the Great Commission still rings out: "Go ye therefore and teach . . . " Your Board of Christian Education has attempted to carry out this mandate through the various programs it has sponsored.

The annual convention was held in the new Lurgan Church on Saturday, September 25, 1965. Special speakers and workshop leaders included Bishop Meadows, who spoke concerning our combined youth program, Mr. Toney Trout who spoke concerning office furniture and machines, and Rev. Albert Schartner, Mrs. Carmen Funkhouser, Mrs. Rayford Feather, and Rev. C. Ray Miller who presented workshops on Christian Education subjects.

This year's convention will be held at Staunton, Virginia, in the Fifth Street Church on Saturday, September 24, 1966. A program is planned to be helpful and interesting to those concerned with Christian Education. Material on the subjects of youth programs, teaching, lesson material, and evangelism in the Christian Education program will be presented during the convention.

A youth banquet was held in the King Street Church, Chambersburg, on February 5, 1966. Mr. Charles S. Drain, Jr., presented a very challenging address, and everyone present enjoyed a delightful evening of entertainment under the direction of the Toastmaster, Rev. Burton Lange. Another banquet is planned for a time which will not conflict with the Youth Week Observance of the various Christian Endeavor Unions in the counties.

Again this year the youth of the Conference were able to participate in the Denominational Youth Rally through the direction and sponsorship of the Conference Board of Christian Education. Sixty-one youth of the Conference attended the Rally held on the Campus of Huntington College, August 10-13, 1966.

The Board has made available leadership training and visual aid materials. We would urge all the churches to avail themselves of this material.

As your secretary and a member of the General Board of Christian Education, I attended the General Planning Meeting held in Huntington, Indiana, in September, 1965. I was accompanied to this meeting by the Rev. Ray Seilhamer, a member of the Conference Board of Christian Education. I also attended the meeting of the General Board of Christian Education in Huntington, Indiana, during May 1966. I taught a course on the Book of Romans in a Leadership Training School sponsored by a neighboring Sunday School district in Adams County, Pennsylvania.

The entire Board of Christian Education, composed of the four members elected by the Conference and the ex-officio member of the missionary youth organization, have been most helpful. Since my change of ministerial relationship with the Conference they have certainly carried more than their share of the work. I wish to extend to them my sincere thanks. It has been a privilege and honor to serve these past two years as your Secretary of Christian Education. I humbly request that you give your utmost support to your new secretary in the coming year.

There has been a numerical decline in the work of Christian Education again this year. To overcome this decline we must redouble our efforts in this work. Your Board has considered the "Good News" material being supplied through the General Department of Christian Education and we urge all of the churches of the Conference to use this material in your fall program when at all possible. I believe this program and material will be of assistance in overcoming these declines in attendance.

The income derived from the 12-cent assessment on each Sunday School and Christian Endeavor member has been very substantial. This enables the Board to carry on an active program. We thank you for this.

I **recommend** that the division of the Conference Christian Education dues for the coming year be on the basis of six cents for the Student Loan Fund and six cents for Conference Christian Education.

Respectfully submitted,

CLARENCE COSEY, JR.

REPORT OF THE SECRETARY OF CHURCH EXTENSION

REPORT NO. 16

When we consider the work of Church Extension, we are constantly motivated by the Great Commission. In the fulfillment of that Commission to "Go ye into all the world and preach the Gospel," we must ever be alert to the possibilities in our own communities — rural, suburban, and inner-city — as well as to those in foreign lands. We must be diligent and constant in our effort.

Concerning our existing extension projects within the Pennsylvania Conference, details will be noted in the pastors' reports, thus in this report we mention only the fact that healthy progress is being experienced on each such field.

While no new project is before us this year, the Committee on Church Extension is working on preliminary plans — in accordance with the actions of the last Annual Conference — for the beginning of a new project by the Annual Conference of 1967.

We would **recommend** and encourage all churches of the Conference to be faithful in receiving Communion service offerings and sending them in for the work of Church Extension.

Respectfully submitted,

HOWARD M. YOHE

REPORT OF THE SECRETARY OF LITERATURE

REPORT NO. 17

"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." II Timothy 2:15.

There are many subjects to be studied, and every subject has many divisions. This is the day of specializatoin. The medical field is an example. However, specialization requires further study and research.

We are dealing with the soul, the eternal. Many a person has been deprived of spiritual help and growth because of our lack of wisdom and passion. We can get help from various sources such as books and studying life itself. But the only true answer can be gotten by tarrying before the Almighty.

This studying and administering of eternal truths does not just include the Pastor and the Sunday School teacher, but all Christians.

Practically everything today has the word "new" attached to it. The International Christian Endeavor Society has a new approach to its publications. It now publishes four Quarterlies, *Junior C. E. Meetings, Youth C. E. Meetings,* mimeographed *Topics for Adults,* and *The Christian Endeavor World,* a bi-monthly magazine for news only. At the present we have a total of 206 subscriptions to C. E. publications, including children's, youths, and adults. There are 19 societies using the Y. P. M. B. packets, for the program materials for the youth.

The number of resident families in our Conference is 2,991, and the subscriptions to the "United Brethren" are 1,458. This is a percentage of 49, as compared with 59% last year.

Below is a report of Sunday School materials: Number of Sunday Schools, 40; The Illustrator Teacher's Quarterly: total use, 13; partial use, 4; no use, 23. Adult Pupil's Lesson Quarterlies: total use, 30; partial use, 3; no use, 7. Children's Literature: Total use, 25; partial use, 8; no use, 7.

The number of Sunday Schools using *Contact* is 27. Those using some other kind of take-home paper number 20.

Out of the 40 schools, 15 are using our materials exclusively, and 25 use some other materials in addition to ours.

Let us continue to pray for those who prepare Christian materials.

Respectfully submitted,

ERMA L. FUNK,
Secretary of Literature

REPORT OF THE SECRETARY OF MINISTERIAL AID

REPORT NO. 18

From ancient times, God has ordained that His servants be provided for, for their services rendered to Him and to His people. In the Old Testament, He provided for the Prophets and the Priests. We know that the new Testament also makes provision for the care of those who preach the Gospel. I am speaking about the years of service of the pastor's active ministry. What about the time when the pastor's earning power is gone, when he can no longer fill the role of the active pastor?

The church has been rather slow to envision the day of retirement of the minister. Perhaps the ministers are as much to blame as the laity for failure to do something substantial earlier for our aging ministers and their widows. The amount that many of our retired ministers and widows are receiving is a mere pittance.

General Conference has authorized, given directive to the General Board of Administration, to set in motion a retirement plan that will be more adequate to meet their financial needs in the future. To those who have already reached retirement, the General Church will be able to offer more in yearly benefits. God will smile upon those who provide for His aging servants, but He will not be pleased with those who refuse to care for His own.

We deeply appreciate Christ's care for all of His servants and their families during the past year.

REPORT OF CONFERENCE SECRETARY OF BIOGRAPHY

REPORT NO. 19

To Bishop Clyde W. Meadows, Members and Friends of the Pennsylvania Conference:

I come to you with another report as Secretary of Biography. During the year I received one new report, from Rev. Robert E. Hawk; a re-written report, from Rev. Wilber L. Sites, Jr.; some additional information from Rev. Erma L. Funk and Rev. Myrl T. Slaybaugh. I went through the Conference Minutes and added some information to pastors' reports but would not be sure that I have them all up-to-date.

The Lord has been good to the members of the Conference, having spared the lives of all except Mrs. Jennie M. Weidner, wife of Rev. Ira C. Weidner. Mrs. Weidner passed away on February 19, 1966. At the time of her death I was asked to prepare a report on her life, which I did, and a copy of the report is filed with Rev. Weidner's Report.

On January 29, 1966, a 50th Wedding Anniversary was celebrated by Rev. and Mrs. A. E. Martin. The celebration, arranged for by their sons, Olan and Harold, was held in the social rooms of the Waynesboro U. B. Church where "The Martins" now hold membership. Even though it was a cold, snowy day, many friends came to help them celebrate and to congratulate them and wish them much happiness. The Martins were married on January 5, 1916, at Hagerstown, by Rev. G. I. Rider.

According to action of the Conference last year, the Secretary of Biography was authorized to have the set of Pennsylvania Conference Minutes bound in ten-year sequence. This has been done. I would like now to know what should be done with these Minutes. Originally it was ordered that they should be kept in the possession of the Secretary of Biography. Is there a more suitable place for them now that they are bound?

Respectfully submitted,

RALPH L. ANKERBRAND,
Secretary of Biography

FINANCE COMMITTEE RECOMMENDATIONS

1. That $4,500 plus $200 travel allowance be set as a minimum salary and each pastorate that meets this amount shall be entitled to full-time service from the appointed pastor. This minimum salary is to be over and above parsonage rent, utilities, presents, travel allowance, and Blue Cross and Blue Shield insurance coverage for the family of the pastor. Where the assessed salary is less than the minimum, the pastor, in consultation with the superintendent of the district and the local conference, may supplement his salary. In the event that a full-time pastor should need to supplement his salary from other sources than church employment, he should make such a request to the local conference.
2. That pastorates be required to pay fifty percent of the cost of Social Security and to provide for the utilities of the parsonage, including heat, light, gas, water, sewer and telephone (other than personal long-distance calls).
3. That pastors' salaries be paid semi-monthly.
4. That each pastorate schedule a two-week vacation for the pastor and pay for a supply minister. Camp Sundays are not to be considered as vacation.
5. That all ordained or Annual Conference Ministers of the Conference who serve as pastors enter Social Security when eligible to do so.
6. That an allowance of $100.00 be allowed for auto expense for part-time pastors whose secular income is less than $4,000 annually.
7. That the Conference Superintendent's salaries be set at $300.00 each and that 8¢ per mile, lodging and meals, be allowed for actual expense in travel for carrying out the work pertaining to this office.
8. That the establishment of appropriations be referred to the incoming Conference Council.
9. That the funds collected for ministers' retirement and hospitalization be distributed under the direction of the Conference Council.
10. That the division of the General Benevolences be as established by the General Conference and adjusted by the General Board of Administration.
11. That goals for special benevolent offerings be called to the attention of the various congregations as follows: CHRISTIAN EDUCATION: (1) Mother's Day Offering, 5¢ a day per Sunday School pupil for the 8 days of Christian Family Week; (2) C. E. Quarterly Offering, 25¢ per member per quarter; (3) First Sunday Offering for Missions and Christian Training, 20¢ per Sunday School pupil (average attendance accepted).
12. That all Sunday Schools give the first Sunday of the month's offering to Sunday School for missions and that this offering be sent to the Conference Treasurer along with other conference and general funds.
13. That all funds be in the hands of the Conference Treasurer by the 10th of the month. Checks should be made payable to "Pennsylvania Conference U. B. in Christ" and not in the name of the treasurer.

SECRETARY OF MISSIONS

REPORT NO. 21

The Pennsylvania Conference Cabinet of Missions met on Thursday evening, October 7, 1965, at the Milton Wright Home following the Conference Coordinating Meeting.

Mrs. Garnet Dice was elected secretary. Plans were formulated during this meeting to conduct a clothing drive for the needy in Jamaica, sometime in the Spring of 1966. There were also plans made for a Missionary

Rally to be held at the Rhodes Grove Camp Ground on the Sunday afternoon of the Y.P.M.B. Retreat in June.

Several mailings were forwarded to the ministers, Brotherhood, and W.M.A. Presidents concerning these events. Everyone in the local churches was urged and encouraged to participate and make these events a success.

November 24, 1965 the Secretary, Mr. Garnet Sites, and Mr. Eldon Coldsmith went to Bowley's Lane Church for a Self-Denial Rally. The Secretary was requested to bring the message. After this service, we met with the men of the church to discuss the possibility of organizing a Men's Brotherhood. The organization of the new Brotherhood took place at the following local Conference Meeting by the Conference Superintendent.

March 17, 1966 the participating churches delivered their used clothing to the Rhodes Grove Camp Ground. The bundles, boxes and packages were loaded on the truck and taken the following day to Ephrata to the processing center of the Mennonite Central Committee. Thirty-one members of our local churches assembled and processed twenty bales of clothing, totaling 2,063 pounds, for the people of Jamaica. A bill for the cost of shipping was forwarded from the Mennonite Central Committee totaling $271.55. The Secretary has not, at this writing, been advised of the arrival of this shipment in Jamaica.

Sunday afternoon, June 12, 1966 the missionary organizations of the Pennsylvania Conference met at Rhodes Grove for the great Missionary Rally. The Reverend Duane Reahm preached an inspiring and forceful missionary message. The choir members for this service were the young people of the Y.P.M.B. The ladies of the W.M.A. decorted the tabernacle, and men of the Brotherhood served as ushers. We hope this rally can be an annual event, and that our people will make missionary pledges.

Sunday, May 8, 1966 the Conference Secretary, together with the Conference Brotherhood President, went to Crider's Church for a Missionary Meeting. After the services, a meeting was held with the members of the church concerning the organization of a Brotherhood of Missions; as at this date no decision has been made.

During the year, Mr. Garnet Sites, Conference Brotherhood President, went to Devonshire for a Missionary Rally to encourage the men to organize a Brotherhood; as yet no decision has been reached.

Respectfully submitted,

LESTER MISNER,
Missionary Secretary

REPORT OF THE CONFERENCE SECRETARY OF EVANGELISM

REPORT NO. 22

Following the 1965 Sessions of the Annual Conference, the Conference Council of Administration named the Reverends Leroy Perry and Laban Hawbaker to the Committee on Evangelism to work with your Secretary throughout the Conference Year.

On September 30, the Committee on Evangelism met to plan the year's emphasis.

At the Fall Ministers' Conference, held at the Mount Pleasant Church on October 25, the three members of the committee presented the Program of Evangelism as adopted by the General Conference of June 1965, the suggested Evangelism Crusade Timetable, and the means to be followed in starting Disciplined Action Groups in local congregations.

One copy of each of the following pieces of literature was distributed to each minister present:

Prologue to Growth by Groups,. by Lyman Coleman.

Introducing the Prayer Cell, by Robert E. Coleman.

Established by the Word of God, by Robert E. Coleman.

The Report of the Committee on Stewardship and Evangelism which was presented to the General Conference of 1965.

The Denominational Program of Evangelism as adopted by the General Conference of 1965, and entitled, "Witnesses Unto Me."

Several congregations within the Pennsylvania Conference have begun disciplined action groups, and have been reporting a real spiritual growth and concern among the members of the groups.

In June of this year the Reverends George Weaver and Paul Baker traveled to Winona Lake, Indiana, to attend a workshop on personal evangelism which was presented by Campus Crusade for Christ, Arrowhead Springs, San Bernardino, California 92403. On July 28, at a special ministers' meeting at Rhodes Grove Camp Grounds, they spoke enthusiastically of the literature and the plan of evangelism of Campus Crusade for Christ.

The ministers who were present were unanimous in their acceptance of the method and the plan presented. They requested the two men to present it fully in a conference-wide workshop or in district-wide workshops in the early Fall, for the benefit of Pastors and key laymen from each congregation.

Ministers of the area will have the opportunity to meet and hear Dr. Robert Coleman on September 8 and 9, at a Retreat on Everyday Evangelism. The retreat, sponsored by the Evangelical Fellowship of Cumberland Valley, will be held at the Greenwood Hills Bible Conference grounds, near Fayetteville.

In conclusion, your Conference Secretary of Evangelism makes the following **recommendations:**

1. That each church and pastor cooperate fully in the United Brethren program of Evangelism.
2. That each pastor seek to establish one or more Disciplined Action Groups within his local congregation immediately after the Annual Conference.
3. That each pastor, along with some key laymen, attend the workshop sessions during which the Campus Crusade for Christ plan of personal evangelism will be presented.
4. That each pastor attend all the sessions of the Retreat on Everyday Evangelism, sponsored by the Evangelical Fellowship of Cumberland Valley, on September 8 and 9.
5. That each pastor and class leader urge the local Board of Administration to follow as nearly as possible, the denominational Evangelism Crusade Timetable.
6. That each minister and each layman pray for, and prepare himself for a harvest of souls between the present, and the United Brethren Bi-Centennial Convention which will be held at the Rhodes Grove Camp Grounds, August 16-21, 1967. As we prepare to commemorate the 200th anniversary of the "Big Meeting" in Isaac Long's barn, the birthplace of the Church of the United Brethren in Christ, let us again consecrate ourselves unto God as faithful witnesses for Jesus Christ.

Respectfully submitted,

EARL D. PETERS,
Conference Secretary of Evangelism

2. We urge that all the people in our church become better enlightened as to the duties of the members of the Church of the United Brethren in Christ, as set forth in our Discipline, particularly those pertaining to the "Means of Grace," "Family Piety," "Love to Others," "Obedience to Government," "Lord's Day Observance," and the assembling of ourselves together (Hebrews 10:25) for worship and study of the Word of God on the Lord's Day.
3. That we commend all in government, civic and religious circles who are promoting high moral standards, and that we cooperate with all such agencies to promote sobriety, tolerance and good will among men.
